

Exploring Congénies & the surrounding area

Your stay at Congénies Quaker Centre is likely to be a rewarding experience—simply relaxing in the garden or exploring the local area. Possible things to do are too many to list them all here, so please enquire at the Centre for details of local events and attractions. Activities to suit all ages and interests abound in the Languedoc-Roussillon region. Sample the many scenic walks through the hills and down in the valley, explore Congénies and other nearby old villages with their markets. Discover local sculpted stones and ancient stone cabanes. Further afield there are boat trips on canals or the Mediterranean, canoeing, fishing, swimming, horse-riding, golf, flying, gliding, bird-watching... You need never experience a dull moment.

Buses run from Nîmes to Sommières passing through Congénies and many other villages along *la vallée de la Vaunage*. Congénies also has a taxi service at reasonable prices. Bicycles can be rented locally to use on the *Voie Verte*. This cycle and walking path offers a comfortable and safe way to explore 20 km of this lovely valley from Caveirac to Sommières.

With a car and our Discovery Packs the coast and many fascinating destinations are easily accessible. Nîmes, *Le Pont du Gard* (World Heritage site, roman aqueduct), *la Réserve Naturelle de La Camargue* and the *Parc National montagneux des Cévennes* are all under an hour and a half drive away.

As well as the excellent fruit and vegetable shop and the bakery in Congénies, several nearby village markets offer a wide variety of produce, fresh cheeses, wines, meats, clothing and local handicrafts.

Your time at the Centre Quaker can be filled with many enjoyable activities or can be a time of peaceful relaxation; why not some of each? So pack your sun hat and your sense of adventure: we look forward to meeting you.

À bientôt!

CONGÉNIÉS QUAKER CENTRE

La Maison Quaker de Congénies with its historic shady burial ground is not only a place for Quaker worship, it is also a cultural Centre where we organise study weekends, round-table exchanges, group or personal retreats, workshops, activities to discover the region, restful holidays etc.

The Centre therefore provides self-catering accommodation for individuals, families and other groups who organise their own activities, family and other celebrations, mini-conferences, art/music workshops etc.

There are 2 multi-purpose rooms, five bedrooms for 1, 2, 3 or 4 persons (2 are twin bedrooms with en-suite toilet facilities). Hot water is from solar panels. For groups more than 10 or 12 persons additional rooms are available in private homes in the village. One twin bedroom and a special toilet room are on the ground floor for persons with reduced mobility.

A resident friendly host/hostess will meet you and show you your room.

A well-equipped shared indoor kitchen and a summer kitchen out in the garden are at your disposal, where you can prepare meals. There is a 'cosy corner' sitting space in the Meeting room looking onto the garden. During a weekly Sunday Quaker meeting and another occasional meeting the Meeting room is used by Friends. Visitors are welcome to join us.

In the garden are terraces with chairs, tables and parasols, and quiet shady corners for relaxing.

At the end of the large garden (from where you can see the solar panels on the roof) is the private off-street parking area for 5 cars with east access up the ramp and on into the Centre for those with reduced mobility.

Starting from the Centre there are many short or longer walks in and around Congénies, which is in a green valley with olive groves and vineyards, surrounded by low wooded hills threaded with shady tracks and pathways.
